All American Rowing Camp is pleased to present Coastal Rowing in Croatia!

Join us along the Dalmatian Coast of Croatia for Coastal rowing on the stunning waters of the Adriatic and return each day to sleep in a restored historic waterfront inn and explore the riches of the region. Row, eat, drink and be merry!

Tomorrow...repeat!

Coastal rowing and Croatia were designed for each other with over 1000 islands and thousands of miles of coastline. We will be rowing in the morning hours then heading inland to explore the countryside and returning each night to the same 4-star hotel in Sibenik. During each row we will work rowing techniques in an environment that few from the USA have explored. Sibenik is perfectly situated for rowing and exploring many treasures of Croatia including: St. James' Cathedral, fortress of St. Nikolas, Krka National Park, City of Trogir and of course a tour of Sibenik itself is an unforgettable experience for every visitor of the central Dalmatia.

All meals (and beer/wine), lodging at a wonderful hotel, equipment, tours, coaching and fees are included.

Besides amazing rowing on the sea, we will also discuss boat/oar rigging, strength training for rowing, nutrition and many more topics to get you up to speed. Drone video analysis will provide a unique perspective on your technique and allow for in depth personal coaching.

This will be a true rower's paradise, All-American Style!
