

WEEKENDER #2 SCULLING TUNE-UP

JANUARY 26-28, 2024

DELAND, FLORIDA

2024 winter camps are just around the corner and All-American Rowing Camp is very excited to be offering the Weekender Sculling Tune-Up this winter in DeLand Florida. We know that sometimes a week-long sculling camp is not possible due to schedules and busy lives so we have designed this great option for you to get on the water.

Sculling is a sport where even the most experienced rowers need a little coaching from time to time to pick out and correct small technique or rigging issues that arise during the repetitive motion that our sport entails. With a short weekend camp with personalized coaching and instant video feedback you will find great satisfaction in the value and the results of the on water "Tune-Up"!

Our coaches for the camp will provide expert instruction in 4x, 2x and 1x to match your ability and interest. Rowing with others of your ability is important and we will do our best to place you with others of like speed to make the lessons fun and maybe you will make a new friend in the process. Novice Scullers are encouraged to attend. We use a Fun, Progressive and Positive style of coaching so everyone learns a great deal of how to move boats!!

Coach Mark Wilson and Jim Dietz will give plenty of on and off water pointers. Rigging of your boat and oars as well as the video feedback and a great setting on the freshwater of the St. Johns and Lake Beresford will be our laboratory.

Please tell your friends and sign up quickly as this camp is sure to fill soon. If you have a team that would like to have a private camp at this location that can easily be arranged at a different date so please call Mark Wilson for options and details. Groups from 4-12 for sweep or sculling can easily be managed.

Thank you and hope to see you in DeLand this winter.
